Due to the Covid-19 situation we currently cannot open Sunshine Kids. Until this becomes possible we have started a WhatsApp group for our Sunshine Kids families to keep in contact with and support each other until we can meet again as a group. If you consent to joining this group please be aware that your phone number will be visible to all other group members.

If you choose not to join the WhatsApp group but wish to join us at Sunshine Kids once we are able to reopen please return the consent form so we are aware of what numbers to expect for the coming term. This is particularly important for this year due to restrictions on group numbers.

We want everyone to feel safe in the group and so ask that to agree to the following conditions before joining:

- Conversations held on the group chat are to remain among the group.
- Everyone has a right to their opinion please respect this even when it disagrees with your own.
- No Bullying or name calling in the chat.
- Any photos or images posted are not to be shared outside the group without express permission from the original poster.
- The moderators reserve the right to remove anyone from the group who is found to be in violation of these rules.

I _____ agree to my phone number being added to the Sunshine Kids Families WhatsApp group, and will follow the conditions set out above.

The mobile number I wish to be used for this is _____.
